### **The Great Ski and Ride Clubs of New England**

#### **and all the sports in the other 3 seasons**

*The Eastern Inter-Club Ski League (EICSL) is an organization promoting recreational skiing, boarding and racing through clubs primarily from the Greater Boston Area and with members from all over New England. Many of our clubs have lodges in the Mount Washington Valley area of New Hampshire from which members enjoy year-round sporting and social activities individually and through the league, in addition to skiing and winter outings.*

*We're more than just a ski league!*

**Visit [www.eicsl.org](http://www.eicsl.org) to learn about our clubs, discounts (including gear, lift tickets & restaurants), race program, trips and other programs. Fill out the membership inquiry form and we'll help you find a club and new friends!**
